January 11th, 2016

Dear Parents and Guardians,

I am pleased to announce that we will be starting a new program in the school to enhance our communications to you. Through our current service, One Call Now™, we will be initiating a text service. This program will enable us to get a message to you without you having to answer a phone call or listen to a message.

Cellular service providers require you to agree to receive text messages from One Call Now™ before we can contact you using the One Call Now™ text messaging service. Please note that you will be charged standard text messaging rates for all texts they receive from you via One Call Now™.

Only the cell phones we have listed in our One Call Now™ service will be contacted. Based on the numbers we have in One Call Now™ system, it has compiled a list of possible cellular phones. This list is what we will be using to deliver the information via text. You will need to opt-in for this service.

To Opt-In, text the following to **22300**

ALERT

If you do not get the phone call to opt-in and wish to add a cell phone number to this service, please call the building secretary at your child's respective building.

BHS: (440) 685-4711
Mespo: (440) 693-4125

Opt-In Message will be sent Tuesday January 11th, 2016. If you did not receive this message Tuesday, you should contact the building secretary to get your number added to the list.

Thank You,

Mr. Russell McQuaide, Superintendent
